EDUCATION

SYSTEM ENGINEERING

Universidad Interamericana de Panamá (UIP)

2018 - 2025

I studied a variety of subjects related to software development, programming, and project management for a successful career in the technology industry.

SCIENCE HIGH SCHOOL DIPLOMA

Eliei Bilingual Institute

2004 - 2017

LANGUAGES

Spanish 

English 

PROFILE

Motivated and highly skilled software developer with work experience. Looking to leverage my knowledge and passion for technology to contribute to innovative projects in a dynamic team environment. My goal is to design high-quality software solutions that not only meet user needs but also drive the growth and success of the company. With a strong foundation in technologies like HTML, CSS, JavaScript, React, Node.js, MongoDB, AWS and many others, I am committed to technical excellence and ready to take on new challenges in the software development world.

EXPERIENCIA LABORAL

System Analyst

2023 - Presente

Solusoft

Practitioner (Intern)

2022-2023

Solusoft

- I participated in an internship program at Solusoft, where I gained practical knowledge in JavaScript development and scripting. During my time at the company, I had the opportunity to attend training and specialized workshops in key technologies, including Oracle, Java, and Azure.

Fullstack web developer

2019-2022

Legality Panamá

- I developed a complete database system with a web user interface for lawyers to effectively manage legal cases and documents.
- I utilized AWS cloud services for secure and scalable document management.
- I used the MERN stack (MongoDB, Express.js, React, Node.js) to build a responsive web application.

CERTIFICATIONS - ([CLICK HERE](#))

Responsive Web Design | JavaScript Algorithms and Data Structures | Frontend Dev. Libraries | Relational Databases | Backend Dev. and APIs | Data Visualization

In addition to my university education, I have obtained certifications in key areas related to software development. These certifications demonstrate my commitment to continuous improvement and the acquisition of up-to-date technical skills.
